The Sea is England's Glory!

The bounding ware her shrone, For ages bright in story,
The coses is her own.
In war the first, the fearless, Her banner leads the brave ;

In peace she reigns as peerless, The Empress of the ware. The sea is England's splender, Her wealth the mighty maln; She is the world's defender, The feeble to switzin.

Her gallant sons in story, Shine bravest of the brave, Oh ! England's strength and glory, Are on her ocean wave.

Thou loreliest land of beauty. Where dwells domestic worth, Where loyalty and duty Entwice each heart and hearth. Thy rock is freedom's pillow, The rampart of the brave, Ob, loog as rolls the billow

Shall England rule the wave.

Provincial Exhibition.

We clip the following report on Stock from the London Free Prest-in regard to the various kinds, &c., on view at the Provincial Exhibition :-

Toronto has been fixed upon for the next annual Show, the feeling being very generally in favor of confining them to the four principal places in the Province. The officers for the ensuing year are F W. Stone, Esq., of Guelph, President Asa A. Burnham, Cobourg, 1st Vice; cheaper than any other Dentist in the Pro- and Mr. Johnson, London, 2nd Vice-Prosident. We notice a Board of Commis sioners has been appointed, to take charge of Canadian products for the world's fair, to be held in London, England, next year of which Sir William Logan, Provincial Geologist, is the head.

Hewmarket. Friday. October 11th, 1861. General Summary.

An adjourned meeting of the Newmarket Mechanics' Institute will take the majority in the Council found it im place this (Friday) evenlog, in the U. S. S.

We must claim the icdolgence of our readers this week for occupying to large . a space of the paper with advertisements. It could not be avoided without giving disestisfaction. Visitors to the show, will see erland and Mr. Smith protested by all firmed. that most of our merchants have received that was great and good against such actheir new fall goods.

We understand a few gentlemen to inveigle the majority in a law suit cial prizes, to be awarded at the forthcom. this would not work, and the Counci Ing show, for the best specimens of Wax were determined to rid the village of all Work. Let our lady friends now show responsibility in the premises, notice was their handiwork.

Remember the North York Fall Sheriff to come up to levy upon the frame Show takes place in Newmarket on Tues. day and Wednesday next. We understand the new Hall will be ready for occupation. Parties desirons of entering animals or articles for competition, residing in or near Nowmarket, should make their entries with the Secretary, at this office, before Tuesday next. Remember too, the Secretary offers a prize of \$6 to the competitor taking the highest money premiums, and \$4 to the pereda making the largest number of entries. That the forthcoming show will be the most successful ever held, we make no question, provided the members - but de their duty. The society was never strong as this year, which leads us to anticipale a corresponding increase in competitore. Let all who feel the slightest interest in the welfare of the Association contribute comething to make the exhibition worthy We like to see a straight forward opportunity of old North York ! Tickets for pens may be procured from the Secretary, when mak ing entries.

Grand Concert.

On the evening of the Second Day of the Exhibition a grand Concert is to take place in the New Hall, - which, from all we can learn, promises to exceed all former entertainments of this kind ever attempted here Besides enlisting our best local talent, say. eral amateurs from Toronto and elsewhere, have been engaged; also, the Newmarket and we believe Sharon Bands. The Programme embraces Marches, Doette, Trice, Solos, and Concertos. Tick-te, 25cts.

The Town Hall!

Judgment of the Court Rendered

of the Building, so that it would not lo res-We have refrained from commenting dy for the Fall Show next week. No satisfied with gratifying their personal at length upon the proceedings going antipathics on mere technicalities. forward before the Court, in reference to would appear they have determined to the Town Hall question, until the present destroy the prosperity and reputation of -thinking it desirable to have feets and our village. The Corporation is bound data before as upon which to base our to furnish accommodations-and both remarks, rather than mere speculations The Court has at last made a decision by their acts, are throwing every obstacle and their verdict is in writing before in the way of carrying out the contract us. We will give a brief synapsis, so We are gled to say, however, in this at that the public, and especially surround tempt they have been foiled : the Con lag municipaleties, may ur deretend a ve them : the building will be ready and ry delicate question in working and man eging the affairs of their respective cor-

porations :-The first paregraph sets forth eight those that opposed the scheme, that it counts, upon which the action is based; then follows the rebutting testimony to these counts as filed by the corporation or conduct more inconsistent? Dog in Bolicitors. [As soon as festiave a little the manger like, they neither will under space at our disposal we dia'l give both sides in full.] Then follows the judg- of their protensions and a clear demonment :-

"We are of opinion that the role must be principle, consistency, and public inter made absolute to quash the fly-laws. Each of them authorized the expenditure of considerable sum, for a purpose clearly not falling under the head of a dinary expendi tore, without having nother in hand to were satisfied with the locality and the manufactures, and a portion of the seeds meet the demand, and without making any action of the Council, and opposed to the provision by rate or otherwise to raise the Invauit: consistency, because if the necessary amount to meet the demand, were honest in contending that the work when according to the By-laws it will be should be constructed by private parties, though the rarious classes were not largedoe and ought to be paid."

hed been voted down, laying the paymen: zeal towards carrying out that object. over a number of years, for the erection of a Hall; and the contra, showing that the By laws under consideration cause it is a necessary improvement des joyment of the occasion. purposed raising the funds and paying manded by almost the entire village. for the Hall during the current year out of the revenue from other sources and didate for Municipal honors next Jan the octs. on the dollar usually levied,the Court remarked :--

"This, bowever, secons open to very witnessed in this Town Hall matter, for ceriers objections. There is no existing by their course, we loose the Building as sorplos shown. If there were, and this ex- the property of the village, and have a penditure was directed by those By-laws to Se made out of it, then there would be no difficulty; for the objects are within the notherity of the Corporation. But for all ece see, there has been no By law passed suits, to \$300-maybo, \$400. What for the ordinary expenditure."

The rule to quesh the liy-laws was dollars, taken partly from the poor me . therefore mede absolute. We have italleised the last clause in the above exextract; for on this point the whole matter, so far as we can understand appears Brown Convicted of the Murto binge. At the time of passing the other By-laws, had the Council enected a third, levying the usual rate of Scts. in On Tucaday last, at the Assize Court, the dollar on the annual value of the Toronto, James Brown was tried for the John Ritchey, 2nd John Rogers. property of the village, as shown by the murder of the late Mr. J. S. Hogan, M. Assessment Roll, the verdict would have P.P. for Grey at the time of his death, 3rd Alten Howard. purped in favor of the Corporation .- and found guilty. He was centenced to Spad Carriage Horses, 10 cutries tal son. Everybody knows it was the Intention of undergo the extreme penalty of the law prize, Win. Howard, 2nd John Goodfelthe Council to pass such a By law ; but on the theof December next.

Er, Russoll Fined 830.

The Herald's correspondent says :-

Il-Rasell, special correspondent o the London Times, has returned to Wash-Ington from his sporting trip to Illinois On Sunday week, at Wilmington, Will debuly, Illipols, Mr. B. ment out for a ay a hooting +a diversion slightly in con fict with the laws of Illianis, which probib its abooting on the Sabbath. Mr. Russel was consequently brought to the presence of an Illinois Justice, fined thirty dollarfor the offenre, and paid it. This is es teemed not only a good joke, but the finan cial part is a valuable contribution to the School Pond, which enjoys the benefits of one-balf of all fines from this source. The authorities, of Illinois are open to severe condemnation for non enforcement of the The Roof is on & Mechanics Hall general is this outery at the West that statutes, this being the first instance he Coverhment has determined not to which a fine for that offence has seer been interfere with him until he has ample time collected. The conservators of the public to show his capacity for command. It is peade of. Illinois have long been on the now certain that he will neither be super- waich for a Doctor of Laws on whom to seded nor court-martialed while his troops | vindicate the insjasty of this Subday stat are in the face of the enemy, and his ute, as well as for some sportsmon posesfriends are filled with the most ardent sed of sufficient assets to pay the shot in current funds. Illinois bonds not received. On approaching Racine, Wisconsin, on his ed, under heavy bonds, to wait the course train to-day. It is supposed that his des sporting tour, while surrounded by his sporteman's traps, Mr. Russell mas wel-

comed by an old farmer of the vicinity

with, "We are glad to see you Mr. Russell

Within the past five weeks a large number of horses have been stolen in various parts of the country, and it is supposed that they have been sold to persons at present in Canada purchasing horses for the American Government. Information of the thefts have been sent to the Police Office, Toronto. The following persons among others have lost valuable animals: Mr. Glenmorris, co. of Waterloo, two horses; Mr. John Evans, East Gwillimbury, one iron-gray mare; Mr. Thomas Larchie, York township, one gray mare; Mr. J. Bain, Whitby, a dark brown mare; Mr. Adam Bell, Searboro,' a dark bay mare and spring waggen; Mr. Murtury, Tecumsch Hotel, London, a horse and buggy. A black horse was stolen from the fair ground at London; the owners name is not given. It would be well for farmers and others to take particular care of their stock at the present time.-

17. Recently, a weakly N. Carolinian the age of 14 and 45, and the proportion came to the North, to take his daughter required from each county to formish the from school in one of the large towns of quota of 100,000 men. The Superintend- western Massachusotts. This gentleman, ent says the State presents an effective a Mr. M has slave property to the value arms bearing population of 766,344, about of more than \$200 000 and other prophalf of that of all the States south of Ma- erty, which makes him a man of very son's and Dixon's line, equalling the com- large wealth. In order to reach his des blued military strength of Alabama, Ar- tination, he travelled more than three kansas, Florida, Georgia, Louisanna, Mis- thousand miles by circuitous routes, and souri, New Orleans, South Carolina and came to the free States at Louisville Before leaving North Carolina, Mr. M. had beard terrible stories of destitution and anarchy provolent hero. He heard

that the school at which his daughter w a, was broken up, and that she was a ser vent in a family. As he advanced in the Northern States, he was overwhelm of with everything he sow, so different rom what he had been led to expect.

issurated with appropriate engrav-\$1, or in leather, \$1.25. The Life of our Lord & Sarour Jenus Christ. BY REV. JOHN FLEETWOOD, D. D. CARRICLLY BRYISED BY

REV. JOSEPH BELCHER, D. D. the Lie of Jesus Christ is the philosophy of Christianity in their purity and beauty. It is perfect excellence personified, the the mind of man may grasp it, and be changed into the same Image. The inspired writers have given it to us in detatched descriptions. Dr. Fleetwood has arranged those in one harmonious whole with such comments, explanations and incidental information as to render it alike acceptable to the scholar, as to "blu who knows no more, but knows his Hible true." Belcher's revised edition contains the Lives of the Apostles, History of the Jews, and an Essay en the Evidences of the lible. It is printed in a clear and

open type, in one royal octave volume handsomely illustrated, and will be furnished in the following style :-- - Price, \$2 00 Cloth extra. Cloth, Full Git. Roan, Fall Gitt,

The Holy Bible For Family and Pulpit Use Our Editions of the Holy Bible are une-quelled for their durability, finish, ele-

gance and completeness; no effort baving been spared to render them perfee in every respect Besides the Old and New Testament, each style contains the Apocrypha Concordance, Pealms in bletre, Capne's genuine. Marginal Notes and References, and valuable tables of Scripture bleasures, Weights, Colos, &c. The text corrected according to the Standard of the American Bible Society. They are all printed in large sized type, in one royal quarto volume, with a neat Family Record and Illustrations. Einb. Leather, Marb. Edges, Gilt
